Subject: [High level pesticide incident reporting] Fw: WSDA significant case ACB-0008-20
Date: Thursday, April 09, 2020 1:03:39 PM

Hi - In accordance with the FIFRA cooperative agreement guidance's high level pesticide incident reporting, I'm forwarding you a case reported to EPA Region 10 by the Washington State Department of Agriculture (WSDA) yesterday: -001

"One of our field staff received a call from Spokane County Regional Animal Protection (SCRAPS) requesting assistance on a case involving one dead deer and five dead dogs near Airway Heights, WA. The deer and one of the dogs tested positive for strychnine. The investigation was assigned a case number today: ACB-0008-20."

WSDA will provide EPA Region 10 information on the date of incident, target site/pest, and EPA Reg. Number. WSDA's Point-of-Contact is as follows:

Tim Stein, Area Manager
Pesticide Management Division | Pesticide Compliance
Washington State Department of Agriculture, Spokane Office
Cell: 509-990-88699

Please feel free to let me know if you have any questions.
Linda
